

ATTENTION, MOTHERS

Here we are with another special showing and sale of Children's and Misses' Coats. Such large assortments you'll wonder where we will find enough people to sell them all to.

But it's not quantity, but quality and style, in these Little Ladies' Coats we are so proud of. Many of them of the "Wooltex" make, made on the same lines and in the same careful manner as Mama's Coat and at prices so ridiculously low that you'll be curious how the tailors can even furnish the cloth at this rate.

We are after the Children's trade. We believe they deserve as much attention as anyone, and we have given this department special attention, searching the markets for the best and most stylish garments made for the money. As a result we offer you this line

For \$3.98 Equal values you cannot find in most stores for less than \$5.00 or \$6.00.

OTHERS FROM \$2.98 TO \$12.50.
